SPONSORSHIP

We are thrilled to be able to offer the Frinton Comedy Club to the local community. The Club offers a great opportunity to meet with friends and enjoy a night out alongside like minded locals - all with the aim of offering professional touring comics on your doorstep.

As you're probably aware running events is a costly exercise and as such the Comedy Club relies heavily on selling tickets to be able to break even for most shows.

But there is so much more we could do! We would love to extend our marketing to better reach the local area. Furtherstill, we would love to invest in professionalising our front of house and tech set up for the show.

Of course, additional fund will also allow us to develop the talent we invite to perform on our stage. We have been fortunate enough to secure a visit by Milton Jones this summer, but named acts like this cost money and we are keen to continue to be able to offer names like this to the community.

So... what sponsorship is on offer!

We are offering sponsorship for £1000 for up to 3 companies. The sponsorship runs for one year from the contracted date and includes the following:

- Your company Logo on all flyers, posters, and digital assets
- Your Company announced as a sponsor on social media
- Your company tagged in all comedy club social posts
- Website advertisement on the Frinton Comedy Club Page
- An advertisement on our Comedy Club E-Tickets

**One company can have exclusive sponsorship for £3000 total.*

***Once you have decided to sponsor the Frinton Comedy Club you will need to supply the following info to the club to create your advertisements as listed above.*

- Logo (in PNG format)
- Core image (JPEG image of your business in action etc)
- Your business contact details (how do customers contact you)
- A few words about what your business does (30 words max)
- Links, tags and hashtags for your business.
